

ABOUT US

We are one of the leading manufacturers of Office and Industrial Stationery in India.

With over 30 years of experience in building reliable products, we are known for our quality and standards. We deal in a wide range of products ranging from tape dispensers, cutters, whiteboard dusters, pin-o-clips etc. We use high precision blades, virgin high grade plastic material for our products which gives them the strength and durability to last longer. We are backward integrated and most of the components that goes into the making of our products are produced in-house. This helps us to maintain our high production standards.

BRAND

We provide high quality office stationery products for different needs under our brands BEST & BUTTERFLY.

QUALITY POLICY

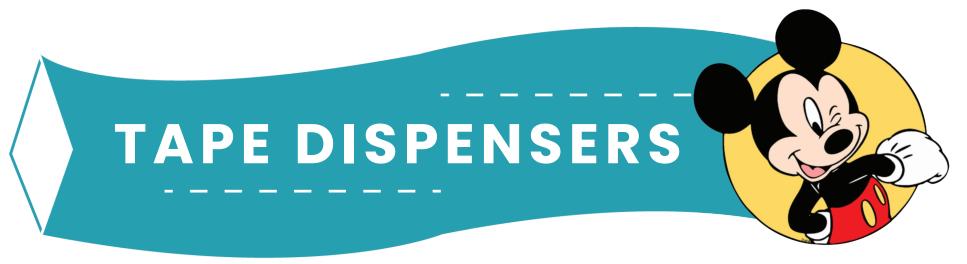

Our quality stands out from the market and it reflects in our products. We pledge to manufacture and market quality products of international standards.

OUR GOAL

We believe in nurturing relationship with our customers and our constant endeavour is to excel in providing high quality products at the best prices.
